the moon is glo-wing white and time's a - was - ting and don't you want to know what hap-pens when  
touch my skin and I will kiss your lips and we can both ig-nore that fee-ling of wait

we start at the start be-fore it be - comes that thing that broke my heart in two  
what hap-pens in time I know this is cool for now but I just might change my mind and leave
