Who's the one that makes you hap-py — And who's the one that al ways makes you laugh —

Who's the rea - son you are smi-ling — And dragged you through these time, so rough

I was the one — that made you hap-py — I was the one — that eased the pain

But I'm the rea-son that you're cry-ing now — My own tears scattered by the rain —

Deeper than deep you took me on a trip baby
 You shared your wildest dreams and more
 You dare me to express my feelings to you
 I never felt that need before

But suddenly you needed freedom
 You felt the need to break free
 You started drowning in your sorrow
 You didn't wanna know I had the key
