

4 mains - Wim Mertens - Bass: repeat until the end *

* Measure 8 is played sometimes as measure 6, in an irregular way. This is possible:

You don't play like that at **1**, you do at 5. **1**: with quarters, 5: without. Every number has 8 measures.

1 starts at the beginning:

1 • 2 • 3 • 4 • 5 • 6 • 7 • 8 • 9 • 10 • 11 • 12 • 13 • 14 • 15 • 16 • 17 • 18 • 19 • 20 • 21 • 22 • 23 • 24 • 25 • 26 • 27
